The SIJ Religious Education Program is taught on Wednesdays from 4:15 pm - 5:45 pm Late September - Late March. (Eighth Grade Program meets from August to December after receiving the Sacrament of Confirmation)

- Each class is taught by a certified teacher using the same textbook as is used in SIJ School. (Each lesson is designed with the 1.5 hour weekly time frame in mind)
- Each week classes will participate in Mass or a devotional activity: Rosary, visit Adoration Chapel, Reconciliation and other seasonal activities throughout the year on a rotating basis.
- Weekly assessments are to be completed and will be posted in School Speak as evidence of the learning and participation in the program.

All families will have access to School Speak to be able to see the progress of the child, retrieve assessments for completion due to absence, and communicate with teachers and staff.

Each program is led by Certified Teachers in the Diocese of Joliet (most teach in St. Isaac Jogues School), all have received Diocesan Catechetical Training, most have advanced degrees.....

Blended Program (formerly known as the At Home Program)

- The Blended Program is for children who have special needs in the classroom that make the extra classroom time difficult. Teachers partner with the family to offer guidance for delivery of the Religious Instruction. Teachers will create the timeline for instruction.
- Families will receive weekly instructions through School Speak ~ Each week a new post will give information about the lesson and at this time the assessment will be posted in School Speak.
- Weekly assessments will need to be turned in electronically (this will also count as attendance of participation each week). (Families can hand in hard copies of weekly assessments to the RE office if this is more convenient)
- Families will be required, at some time during the week, to participate in the same liturgical and devotional practice as is done being on Wednesdays (Mass, Reconciliation, Rosary, Eucharistic Adoration....)
- Families are required to attend 4 mandatory workshops (#1 Introductory, #2-4 will require the child to give evidence of progress by completing an assessment, in addition to other activities)
